

# **HARTFORD POLICE PUBLIC SAFETY CADET UNIT IS NOW RECRUITING!**

The Hartford Police Department Public Safety Cadet Unit is a volunteer organization that trains and teaches youth ages 14-20 about law enforcement. The program gives the participant an opportunity to learn about law enforcement from a different perspective, and assess it as a possible career choice. Cadets train in hands-on scenarios that officers respond to, participate in local, state, and regional competitions, and volunteer at community-area events. Additionally, members of the program have the opportunity to go to leadership development academies for different federal law enforcement agencies.

If you or someone you know are interested in joining, please come to the Hartford Police Department, located at 109 N. Main Street, Hartford, WI, 53027, or call (262) 673-2600 and ask for Officer Albea, Janzen, Kolbach, Whipple, or Detective Kraemer.
