**STATEMENT**

THIS PERMIT ISSUED by the Electrical Inspector's Office of the City of Hartford to construct, erect, alter or install as described. The work must be done in accordance with the description herein set forth and more fully described in the specifications and plans herewith filed and in strict compliance with the Electrical ordinances of the City of Hartford and the State and National Electric Code. All lawful orders of the Electrical Inspector made or issued by virtue of the provisions of said ordinances must be obeyed.

If work under this permit is not started within 30 days after issuance of this permit, this permit is void. **Notification of the Electrical Inspector for inspection is required.** All electric work must be left open until such time the Inspector has completed his examination and inspection. Failure to do so may result in citation.
