**STATEMENT**

THIS PERMIT ISSUED by the Plumbing Inspector's Office of the City of Hartford to construct, erect, alter or install as described. The work must be done in accordance with the description herein set forth and more fully described in the specifications and plans herewith filed and in strict compliance with the Plumbing ordinances of the City of Hartford and the State and National Plumbing Code. All lawful orders of the Plumbing Inspector made or issued by virtue of the provisions of said ordinances must be obeyed.

**Notification of Plumber Inspector for inspection and test is required within 10 days.** All plumbing work must be left open until such time the inspector has completed his examination and inspection. All meter settings must have two valves (inlet & outlet) constructed of either brass or stainless steel. All 5/8" to 1" meters require a meter horn.

**For New Construction:** Before final inspection, water meter must be installed.
